SECRET D'ALMANACH 2012

100 % MEUNIER - VINTAGE 2012

Secret d'Almanach is the perfect expression of our know-how : **One single grape variety**, the iconic **Meunier**. **One single village**, Saulchery, **One single year**, the **harvest 2012**. A visionary at heart, our family Champagne House reinterprets the inherent codes for a great «*Blanc de Noirs*» (white from black grapes) by **adding 2 cl Meunier grape juice**, the perfect blend between the fullness of a wine and the freshness of the liqueur. And because *Secret d'Almanach* is a vintage, this cuvée is only available as a **limited edition**.
